Dionysus small shoulder bag

\$ 2,350

Style # 499623 92TJN 8660

Product Description

The small Dionysus shoulder bag is presented in the signature GG pattern, trimmed with taupe suede details. The shape is defined by the defining tiger head closure—a unique detail referencing the Greek god Dionysus, who in myth is said to have crossed the river Tigris on a tiger sent to him by Zeus—further enhanced with sparkling crystals. The sliding chain strap can be worn multiple ways, changing between a shoulder, cross-body and a top handle bag.

- Tiger head closure with crystals • Dionysus • Pin closure with side release
- Sliding chain strap can be worn as a shoulder strap with 23" drop or can be worn as a top handle with 12.5" drop
 - Pocket under the flap • Made in Italy
